ANKIT ENGINEERING

Ankit Engineering: Driving Excellence with GEO

Ankit Engineering proudly introduces **GEO**, a brand synonymous with precision and reliability in the world of automotive components. With a focus on manufacturing top-notch starter motors, wiper motors, armatures, carbon brushes, brush holders, and disc brake plates, we have become a trusted name in the industry.

Our Product Range

1. Starter Motors : We offer a comprehensive range of starter motors, meticulously crafted to meet the diverse needs of 2 and 3 wheelers worldwide. Each starter motor undergoes stringent quality checks to ensure optimal performance and longevity.

2. Wiper Motors : **GEO** wiper motors combine cutting-edge technology with durability, providing clear visibility in all weather conditions. Engineered to perfection, they stand as a testament to our commitment to excellence.

3. Armatures : Our precision-engineered armatures are the heart of our motors, ensuring seamless functionality and longevity. Crafted with attention to detail, they contribute to the superior performance of our products.

4. Carbon Brushes : At **Ankit Engineering**, we understand the significance of reliable carbon brushes. Our products guarantee efficient electrical conductivity, contributing to the longevity and efficiency of the motors.

5. Brush Holders : Designed for stability and optimal contact, our brush holders play a crucial role in enhancing the performance and lifespan of our motors.

6. Disc Brake Plates : **GEO** disc brake plates offer reliable stopping power, engineered to meet the highest safety standards. Crafted with precision, they contribute to a smooth and secure braking experience.

Our Manufacturing Excellence:

• **Best Machines, Zero Rejection:*** At **Ankit Engineering** we invest in state-of-the-art machinery to ensure the highest quality standards.

Our commitment to zero rejection reflects our dedication to delivering products that meet and exceed customer expectations.-

Top-Class Quality Products: Quality is the cornerstone of our success. Every component bearing the **GEO** name undergoes rigorous testing and adheres to international quality standards, assuring our customers of top-class reliability and performance.

Edits in the last Make in India Initiative

:We take immense pride in contributing to the "Make in India" initiative championed by Prime Minister **Narendrabhai Modi**. All our raw materials are sourced from India, supporting the local industry and reinforcing our commitment to national development.

Global Presence

Our entire range of starter motors caters to the diverse needs of 2 wheelers and 3 wheelers worldwide. **GEO** has become synonymous with reliability and performance, driving the wheels of innovation across the globe.

Choose Ankit Engineering, Choose GEO – where precision meets passion, and every product is a testament to our dedication to quality and the "**Make in India**" vision.
